career4it.com  
employment fair for it talents

ACCO International

# We propose:

- Choose a skilled IT staff for your company, within shortest period.
- Selected audience. Visitors to the exhibition already have an interest in finding new projects to work and they can choose their place of work your company.
- Opportunity to introduce ourselves as an employer brand, strengthen the positive image and win your audience.
- The overall platform of the market for IT professionals.
- Conference room for presentations, workshops, lectures.
- IT Lounge – zone for interviews, negotiations.

# Countries want to move Ukrainian IT-specialists:

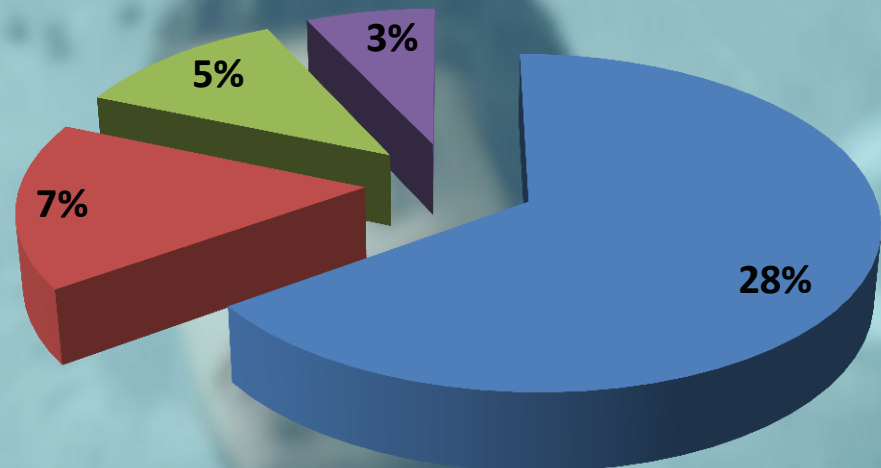

More than half of Ukrainian IT professionals are considering moving to work abroad and one in five has taken certain measures for this.

# Ukrainian IT-specialists want to emigrate abroad

28% of Ukrainian IT specialists are planning long-term go abroad, 15% are planning to travel to the permanent residence

- want to go for permanent residence
- not refuse to spend a year abroad
- 2 to 3 years
- 4 to 5 years

At the beginning of 2013 the number of IT-specialists in Ukraine amounted to about **250 thousand** people, **45 thousand** of them - highly certified professionals which create competitive export-oriented products.

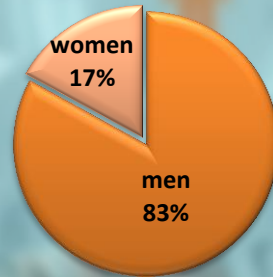

Ukraine is country №1 in the number of certified IT-specialists on 1000 residents ahead of China, India and Russia. Today's students learn skills for jobs that don't yet exist.
